

Probe Identification

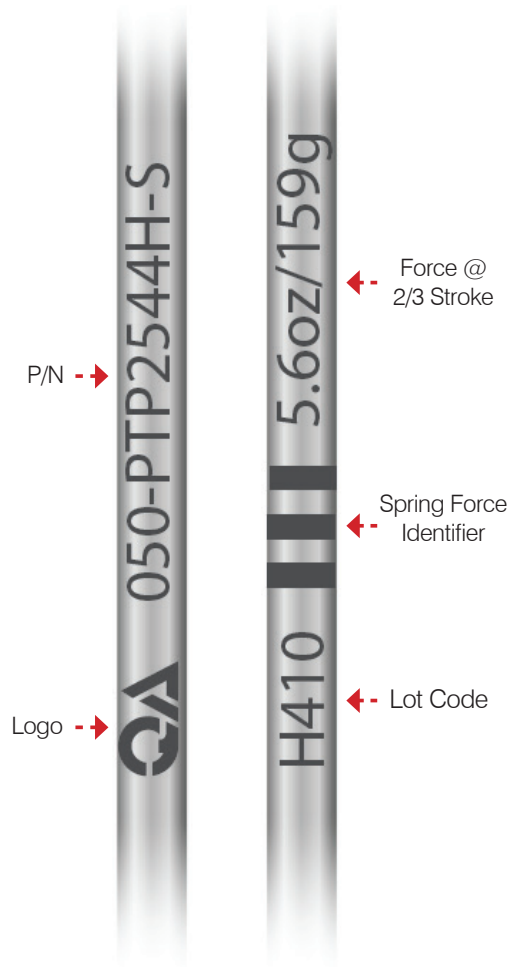

Positive ID

New laser markings will now be featured on our **50-mil** and **X39 probe series**.

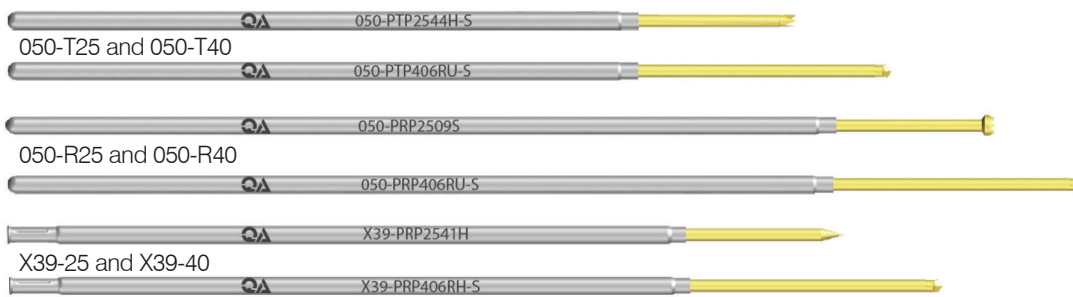

Complete probe specifications can easily be identified for exact replacement during regularly scheduled maintenance.

Markings include:

- Complete part number
- QA logo
- Spring force at working stroke (oz/g)
- QA signature spring force identifier
- Manufacturing lot code for traceability

50-MIL AND X39 PROBE SERIES

SPRING FORCE IDENTIFICATION

Band Codes	Spring Force
	(L) Light
	(S) Standard
	(H) High
■	(Y) Elevated
■	(X) Extra
■	(U) Ultra

This identification method is being phased into our inventory. Future shipments may include some products without markings until stock is depleted.
