

NEW!

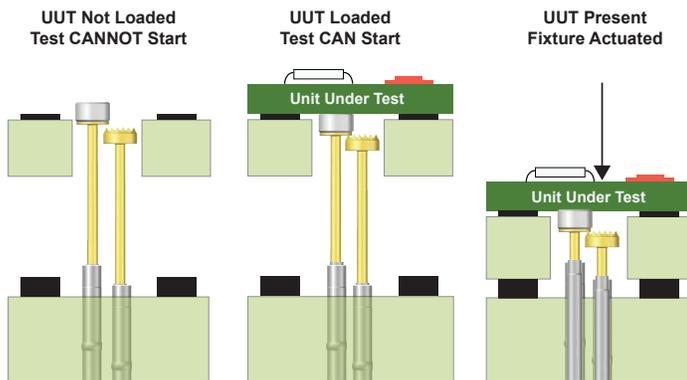

Tip Styles For 100-50 Series Probes

QA's three new tip styles are now available in our 100mil, 0.500" [12.70mm] stroke, 100-50 series probes.

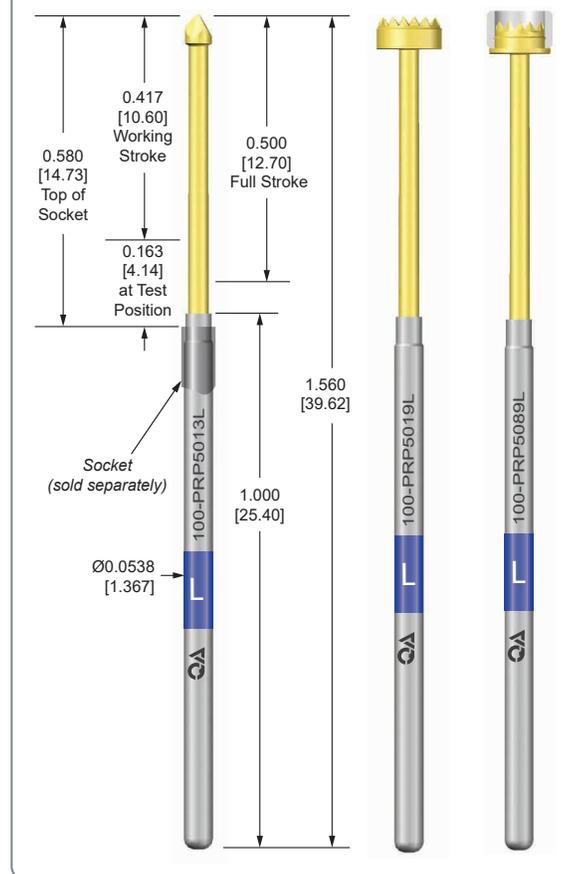

- 13 tip style is for contacting Ø1.0mm or larger vias.
- 19 tip style is for contacting leads.
- 89 tip style is an insulator probe.

The 19 and 89 together can also be used as a switch probe alternative to detect the presence of a board in ICT fixtures. Contact us for more details.

100-50 SERIES

QA Technology is Globally Recognized for:

- Exceptional Product Performance
